

## Students & Parents

Kansas Extreme is a once a year District Talent/Sports weekend where students from all Nazarene churches in Kansas come to Hutchinson, Kansas and get judged and compete in vocal, drama, instrumentals, art, and sports competitions. Students who get a high enough score in talent and students who get selected to a Sports All-Star team go on to our regions college, MidAmerica Nazarene University. There they participate/compete as representatives of the whole Kansas District. The event at MidAmerica Nazarene University is called MAX (MidAmerica Extreme). Students that didn't qualify at Kansas Extreme still have an opportunity to participate in other competitions that weren't offered at our District Event. This is so students who didn't qualify still have an opportunity to be a part of MAX. MAX is composed of our entire region (Kansas, Kansas City, North Dakota, Montana, Missouri, Joplin, Montana, Nebraska, and Iowa). Each of the selected All Stars or Talent All Stars from each state competes against all the other states on our region April 19-21, 2012. The other registration form is available for MAX.
